

ARTICLE 22 SIGNS AND BILLBOARDS

UPDATED AUGUST 12, 2008

Sec. 22.01 SCOPE. This Section is intended to regulate and limit the construction or reconstruction of signs and billboards, to protect the public peace, morals, health, safety, and general welfare. Such signs as will not, by reason of their size, location, construction, or manner of display, endanger life and limb, confuse or mislead traffic, obstruct vision necessary for vehicular and pedestrian traffic safety, or otherwise endanger public welfare, shall be permitted as provided for herein. The following shall not be included in the application of the regulations cited herein:

- A. Signs not exceeding one (1) square foot in area and bearing only property numbers, post box numbers, names of occupants of premises, or other identification of premises not having commercial connotations;
- B. Flags and insignia of any government unless when displayed in connection with commercial promotion;
- C. Legal notices; identification, information, or directional signs erected or required by governmental bodies;
- D. Integral decorative or architectural features of buildings, except letters, trademarks, moving parts, or moving lights;

- E. Signs located on private property directing and guiding traffic and parking for that property not exceeding one (1) square foot and bearing no advertising matter.

Sec. 22.02 DEFINITIONS. As used in this Section, the following words shall have the meanings hereinafter set forth in this Section.

- A. **Billboard** - A sign which directs attention to a business, commodity, service, or entertainment not necessarily sold upon the premises where such sign is located or to which it is affixed.
- B. **Identification Sign** - A sign that identifies the business, owner, or resident or the street address and which contains no other advertisement.
- C. **Illuminated Sign** - A sign that provides artificial light directly (or through any transparent or translucent material) from a source of light connected with such sign, or a sign illuminated by a light so shielded that no direct rays from it are visible from any public right-of-way or from the abutting property.

- D. Institutional Bulletin Board** - A sign containing a surface area upon which is displayed the name of a religious institution, school, library, community center, or similar institution and the announcement of its institutional services or activities.
- E. Marquee Sign** - An identification sign attached to a marquee, canopy, or awning projecting from and supported by the building.
- F. On Site Sign** - An advertising sign relating in its subject matter to the premises on which it is located, or to products, accommodations, services, or activities on the premises.
- G. Plat Entry Sign** - A sign or pair of signs placed at the primary entrance to a subdivision, containing only the name of the subdivision. This term also refers to signs at the primary entrance to a Mobile Home Park.
- H. Political Sign** - Temporary signs or posters advertising a political issue or candidate for political office.
- I. Temporary or Portable Sign** - A sign not permanently anchored or secured to either a building or the ground such as but not limited to "A" frame, "T" shaped, or inverted "T" shaped sign structures, and signs affixed to movable trailers.
- J. Wall Sign** - A sign attached to the wall of a building with the face of the sign generally parallel to the wall of the building to which it is attached.
- K. Temporary Agricultural Billboard** – An off-premise temporary billboard designed to assist motorists in locating seasonal agricultural products grown in Allendale Township by directing the motorist to a roadside produce stand or a "you-pick" operation.
- L. Ground Sign** - A sign resting directly on the ground or on a base, the height of which is not over three (3) feet in height.
- M. Pole-mounted Sign** - A sign supported by one or more Exposed up-rights, poles, or braces placed in or upon the ground surface and not attached to any building.
- N. Pylon Sign** - A sign resting directly on the ground or on a base, the height of which exceeds three (3) feet, but not more than ten (10) feet.
- O. Abandoned Sign** - A sign which no longer identifies or advertises a bona fide business, lessor, service, owner, product, or activity, or for which no legal owner can be found.
- P.** (Reserved for future use)
- Q. Changeable Message Sign** – A sign in which any portion of the informational content of the sign is capable of being changed on a frequent basis, either automatically by means of electronically displayed text or manually by physically removable letters attached to the surface of the sign. Including LED signs.

R. Temporary Community Event Billboard - An off-premise sign, including a banner or poster, which directs attention to a community event or festival that is sponsored by a governmental, civic, or community organization of which the municipality is a member.

S. Temporary Special Event Banner - A temporary on-premise sign used during a community event or festival that is sponsored by a governmental, civic, or community organization of which the municipality is a member, and which sign directs attention to products, accommodations, services or activities on the premises where the sign is located.

Sec. 22.03 SIGNS PROHIBITED. A sign not expressly permitted by this Ordinance is prohibited. Rooftop signs are prohibited. Flags (other than flags permitted by Section 22.01.B.), pennants, banners (other than those permitted as community event billboards or special event banners by Section 22.13), posters (other than those permitted as a community event billboard by Section 22.13), spinners, inflatable animals or objects, and other similar devices, are also prohibited.

Sec. 22.04 MEASUREMENT OF AREA OF A SIGN. The area of a sign is the entire area within a circle, triangle, or parallelogram enclosing the extreme limits of writing, representation, emblem, or any figure of similar character, together with any frame or other material or color forming an integral part of the display or used to differentiate such sign from the background

against which it is placed; excluding the necessary supports or uprights on which such sign is placed. Where a sign has two (2) or more faces, the area of all faces shall be included in determining the area of the sign, except that where two (2) such faces are placed back to back and are at no point more than two (2) feet from one another, the area of the sign shall be taken as the area of one (1) face. In the case of a sphere, the total area of the sphere is divided by two (2) for purposes of determining the maximum permitted sign area.

Sec. 22.05 GENERAL STANDARDS.

- A.** All signs shall be integrated with building and landscape design, and shall be erected on a base that conceals any supporting poles, posts or braces.
- B.** No sign shall contain any visible moving parts nor shall any sign be of a design that creates the appearance or impression of movement in any of the sign components or the message displayed.
- C.** All signs shall pertain only to the business or activity conducted on the premises on which the sign is displayed, with the exception of billboards and political signs.
- D.** All on site signs identifying a building or specific use shall have displayed thereon the address number of the property on which the building or use is located. The address number shall be displayed in a block text having a minimum height of four (4) inches and a color that contrasts with the color of the background on which the address number is displayed.

Sec. 22.06 ILLUMINATION OF SIGNS.

- A. Signs may be illuminated either by use of internally illuminated translucent panels or by use of an external light source. All sign illumination shall be accomplished in a manner that prevents intense glare or brilliant rays of light from being directed at any street or at any adjoining property.
- B. Illumination of signs shall not be flashing, blinking or intermittent, with the exception of changeable message signs otherwise permitted by this ordinance.

Sec 22.07 SIGN LOCATION. No sign shall be permitted within any public right-of-way or upon any utility pole.

Sec. 22.08 CONSTRUCTION AND MAINTENANCE. The construction of any sign shall be such that it will withstand all wind and vibration forces which can be normally expected to occur in the vicinity.

All signs shall be properly maintained and shall not be allowed to become unsightly through disrepair or action of the elements.

Sec. 22.09 HEIGHT. No sign shall exceed the maximum height of twenty-five (25) feet. This provision may be waived by the Board of Appeals for billboards in Industrial Districts.

Sec. 22.10 SIGN PERMIT. A sign permit is required for the erection, construction, or alteration of any sign exceeding twenty (20) square feet, and all such signs shall be approved by the Zoning

Administrator as to their conformance with the requirements of the Zoning District in which they are located and the requirements of their Section.

Sign permits are also required for temporary signs exceeding twenty (20) square feet. The permit will specifically state the date by which the sign will be removed as determined by the Zoning Administrator.

The Zoning Administrator shall have the authority to approve or disapprove with cause any application for the renewal of a permit.

Sec. 22.11 POLITICAL SIGNS.

Political signs are allowed in all zoning districts subject to the size requirements set forth in the different districts.

Signs shall be removed within five (5) days after the election. For regular partisan elections on a state or national level, the local political party may assume the responsibility for removing the signs of all its candidates.

Political signs erected on large commercial billboards are subject to the same limitations in Section 22.13E and do not need to comply with the provisions of this Section.

This ordinance applies only to political signs erected outside of a building and not to political signs displayed inside windows in residential or commercial areas.

No political sign may be erected more than thirty (30) days before any election.

Only one (1) political sign per street frontage for each candidate or issue is allowed on any lot, parcel or tract of less than forty (40) acres.

Political signs may not be placed in the road right-of-way.

Sec. 22.12 SIGNS IN PUDS. Unless otherwise specifically stated in a PUD zoning ordinance and/or included in an adopted PUD Development Plan signs for uses or buildings located in the PUD district shall be subject to the sign limitations allowed for buildings or uses of a similar type built in the respective zoning districts.

Sec. 22.13 SIGNS PERMITTED. Signs are permitted according to the District in which they are located or intended to be located. Signs meeting the requirements of this ordinance are allowed as a matter of right and do not need approval of the Planning Commission or Zoning Board of Appeals, but do need to obtain a permit from the Zoning Administrator. Certain types of signs are permitted in certain Districts according to the following regulations.

A. Agricultural District. The following types of signs are permitted.

greater than 100 feet	125 square feet plus .5 additional square feet of sign area for each lineal foot of building in excess of 100 feet.

E. Industrial Districts. The following types of signs are permitted in the I-1 and PID industrial districts:

- 1. WALL SIGN.** The area of a sign intended for identification of a specific building shall not exceed two percent (2%) of the total area of the wall to

which it is attached or a maximum area of one hundred (100) square feet. Such signs shall be permanently attached to or constructed as part of the building or erected on a marquee, and shall not extend above the roof line of the building to which they are attached.

2. **FREESTANDING, GROUND OR PYLON SIGN:** One ground or pylon sign for identification of each building may be placed in the front yard setback area. No sign shall be located nearer the front lot line or side lot line than one-half (½) the required yard setback. The sign shall not exceed an area of forty-eight (48) square feet in area.

Freestanding signs shall not exceed a height of ten (10) feet from the ground level provided, however, that a higher height may be authorized as a matter for Zoning Board of Appeals decision pursuant to Section 603 of the Michigan Zoning Enabling Act, Michigan Public Act 110 of 2006, as amended. In considering such authorization, the Board of Appeals shall consider the following standards:

- a. whether a sign of a taller height is necessary for the sign to be visible and to achieve its intended purpose;
- b. the height and size of principal and accessory buildings and structures and also other signs located on properties which are adjoining or in the same general neighborhood;
- c. whether the sign will adversely affect the view of any adjoining properties; and

- d. the general visual effect of the taller sign.

3. **INDUSTRIAL PARK IDENTIFICATION SIGN,** in addition to the above, one (1) sign may be erected at each industrial park entrance to identify the park and the industries within. Such signs may be a freestanding or attached to a wall or fence and shall be appropriately landscaped.
4. **BILLBOARDS.** Billboards are permitted where the erection or maintenance of same will not unreasonably affect the proper use of adjoining property, at least two hundred (200) feet from a freeway right-of-way line and one hundred (100) feet from any other right-of-way line; not exceeding a sign area of three hundred (300) square feet subject to Planning Commission approval for an initial period of up to sixty (60) months; renewal for a period not to exceed thirty-six (36) months is allowed subject to Planning Commission approval. Total height of the sign structure may not exceed thirty-five (35) feet. Every billboard shall be a minimum one thousand (1,000) feet from any other billboard.
5. **REAL ESTATE SIGN,** one (1) per premises or building and located on same premises or building only while said real estate is actually on the market for sale, rent, or lease; not exceeding thirty-two (32) square feet in area.
6. **POLITICAL SIGN,** one (1) per candidate or issue per street frontage,

two (2) on corner lots or parcels, and one (1) where frontage faces on a single road; not exceeding thirty-two (32) square feet in area and complying with the standards in Section 22.11.

7. **TEMPORARY SIGN**, one (1) per premises or building advertising a special event, open house, or community activity can be displayed for a period not to exceed thirty (30) days.

8. **TEMPORARY COMMUNITY EVENT BILLBOARD.**

One (1) community event billboard per event per street frontage, which shall not be erected more than thirty (30) days prior to the event and which shall be removed immediately on the day following the event. All community event billboards must obtain a permit. No community event billboard shall exceed hundred (100) square feet in area; or ten (10) feet in height. All community event billboards must be setback a minimum of fifteen (15) feet from the roadway. No colored, flashing, or glaring lights shall be allowed.

Sec. 22.14 NON-CONFORMING SIGNS

- A. Intent.** It is the intent of this Article to encourage eventual elimination of signs that, as a result of the adoption of this Article, become non-conforming. It is considered as much a subject of health, safety, and welfare as the prohibition of new signs in violation of this Article. It is the intent, therefore, to administer this Article to realize the removal of illegal non-conforming signs while recognizing

the established rights of private property owners.

- B. Continuance.** A non-conforming sign may be continued, and shall be maintained in good condition. A non-conforming sign may receive normal maintenance and its message may be changed, but shall not be:

1. replaced by another sign, except one that conforms to the provisions of this chapter.
2. structurally altered so as to prolong the life of the sign.
3. expanded or relocated.
4. re-established after damage or destruction, if the estimated expense of reconstruction exceeds 50% of the estimated replacement cost.

- C. Removal.** A non-conforming sign shall be removed:

1. if the Zoning Administrator finds that the sign is abandoned, as defined in his Article.
2. in connection with the redevelopment of the property or expansion of the existing use or building by 25% or more.
3. if required by the Planning Commission in connection with approval of a Special Use Permit for the property.
