

**ALLENDALE CHARTER TOWNSHIP  
SUBDIVISION ORDINANCE AMENDMENT  
ORDINANCE 2018-8**

AN ORDINANCE TO AMEND CERTAIN PORTIONS OF THE SUBDIVISION ORDINANCE OF ALLENDALE CHARTER TOWNSHIP, OTTAWA COUNTY, MICHIGAN (“THE SUBDIVISION ORDINANCE”), CONCERNING THE ESTABLISHMENT OF A MORATORIUM FOR CERTAIN SUBDIVISIONS IN RESIDENTIAL PLATS UNDER THE ALLENDALE CHARTER TOWNSHIP ZONING ORDINANCE, AND CONCERNING AN EFFECTIVE DATE OF THIS ORDINANCE.

**THE CHARTER TOWNSHIP OF ALLENDALE, COUNTY OF OTTAWA, STATE  
OF MICHIGAN, ORDAINS:**

**Section 1. Moratorium for Certain Residential Subdivisions.** Section 5.3(2) shall be added to the Subdivision Ordinance to state in its entirety as follows:

**Section 5.3(2). Moratorium for Certain Developments and Residential Plats.**  
By adding this Section to the Ordinance, and pursuant to the authority granted to the Township by the Land Division Act (formerly the Subdivision Control Act) or by any other means, the Township establishes a Moratorium as described below:

(a) Based on the water study prepared by Michigan State University and presented by Ottawa County to both the Allendale Charter Township Board and the Allendale Charter Township Planning Commission, it is evident that the requirements under which residential developments must connect to public water and public sewer within the Township be reviewed.

(b) The Moratorium therefore applies to all residential developments within the Township, established under the Allendale Charter Township Zoning Ordinance,

specifically including, but not limited to site condominium developments, which will not be served by public water and public sewer.

(c) For purposes of this Ordinance, the Moratorium applies only to developments which have not received final approval as of the effective date of this Ordinance. This Moratorium will specifically not apply to the Fox Meadows Development, the Kennedy Lake Estates Development or any other Development which has received final approval as of the effective date of this Moratorium.

(d) The Moratorium shall remain in effect for six months (i.e., until November 29, 2018.). During that six month period, the Township shall not accept or act upon any residential subdivision applications that will not connect to public water and sewer. On November 29, 2018, this Section shall expire according to its own terms.

(e) The purpose of establishing a Moratorium by adding this Section to the Subdivision Ordinance is to give the Township an opportunity to consider amendments to the Allendale Charter Township Zoning Ordinance, and the Subdivision Ordinance. The Township has determined that it is important to consider these amendments in order to preserve and protect the public health, safety and welfare and to promote the purposes of the Zoning Ordinance and the Subdivision Ordinance.

**Section 2. Severability.** If any section, subsection, sentence, clause, or phrase of this Ordinance is, for any reason, held to be unconstitutional, such decisions shall not affect the validity of the remaining portions of this Ordinance. The Township Board declares it would have passed this Ordinance, in each section, subsection, clause, or phrase, irrespective of the fact that any one or more sections, subsections, sentences, clauses, and phrases be declared unconstitutional.

**Section 3. Effective Date.** This Ordinance was approved and adopted by the Township Board of the Allendale Charter Township, Ottawa County, Michigan, on August 13, 2018, after introduction and a first reading on May 29, 2018, and publication after first reading as required by Act 359 of the Michigan Public Acts of 1947, as amended. This Ordinance shall be effective on September 3, 2018.
