EC 21-003 Ms. Vander Veen moved to approve and authorize the clerk to sign the License Agreement for the Satellite Clerk's Office at Grand Valley State University. The motion passed.

Discussion Items

Ms. Hansen informed the Commission that she has sent out introduction letters to all previous election inspectors. She is excited to report twenty-five (25) inspectors have expressed interest in assisting with elections again in 2022.

Ms. Hansen provided a brief update on the Redistricting Commission's progress on potential district maps. She indicated the Redistricting Committee has narrowed it down to three maps. Two of the three maps group Allendale Township with Kent County. One map keeps all of Ottawa County together. If congressional representation is changed the Clerk will need to invest funds to send out new voter i.d. cards to every voter in Allendale. There are currently over 13,000 registered voters in the township.

Ms. Hansen informed the Commission that with the intense growth rate for Allendale Township, Precinct 3 has exceeded the allotted population limits by approximately 200 voters. She has been working with Ottawa County GIS to determine both long term and short-term solutions. She proposed adding additional precincts in 2023. However, due to budget restraints, she recommends redrawing the precinct lines for Precinct 3, placing the southwest portion of Precinct 3 into Precinct 1. This change will impact approximately 220 voters by moving them into Precinct 1 and the costs associated will be minimal.

Several Commissioner's had questions and comments.
